

How do I find more information out?

You can feel free to contact Jason at Jason.gaskin@gmail.com. We usually place brochures on the website (www.pleasantgreenumc.org) and around the church when we get closer to a trip.

How do I sign my youth up for a trip?

1. Find the brochure and turn in the registration
2. Make sure your youth has a current permission slip.
3. Every youth must agree to the PG UMC youth covenant before attending the trip.

Will my youth fit in to the group?

Being new is never easy no matter if it is a church or a school. We try our best to be accepting of new folks. We def. think the best way to get to know us is to attend consistently.
